Episode 1

“Another Coke with ice and lemon, my wife to be won’t be having any more to drink,” said Dean in a firm voice.

“Who do you think you are deciding if and when I will have something more to drink for one? secondly, I have not confirmed that I will marry you.” Replies Linda.

“Eat your food and keep your trap shut, do you hear me,” said Dean.

At the counter near the pay point, as you enter the restaurant, the occupant of table 12 is seen talking to a staff member and motioning with hand gestures in the direction of table 14.

“ Will send our manager over to the couple and ask that they control their language while in the restaurant.” Said Lindiwe.

I can’t understand how a man can treat a lady with so much contempt.” Said Sarah Homes

Standing face to face is Dean and Martin Homes. The manager, who has now been informed of what is happening, makes his way over.

“ Please, sir, you need to control your behavior in Coffeeberry, or security will be called. I hope I have made myself crystal clear.” These were the words of the manager.

“We apologise for our behavior and assure you it will not happen again.” Said, Linda

“ So you are a spokesperson for both of us now!” Said Dean

“You now hopefully will understand how badly you treat me; one more thing, I have no intention of having any relationship, sorry Dean, but that is the truth.” Said Linda in a soft tone.

“I am sorry that you feel that way, but hopefully, over time, you may change your mind, my love.” Said Dean

“I am in love with Bob and plan to remarry him soon, and it looks as if he is willing after all this time to take me back. I also have a son that needs his mother.” Said, Linda

“ you mean mommy’s, boy? I know how you mollycoddle him,” said Dean

“That’s not fair. I had not seen Peter for five years, no thanks to the people you worked for, and don’t tell me you were not planted in the prison. So I could not make contact with my family.

The police would realise that I was not the one in the car.” Said, Linda

“Listen here, yes, that’s true, but I soon fell in love with you for real. Yes, at first, it was all an act. Said, Dean

“Too late now. I can’t risk being in a relationship with someone so possessive. over me and controlling. A good example was not allowing me another drink.” replies Linda

“I am the way I am; you will need to deal with it as we will be together come hell or high water. I have a friend here in PMB who is Magistrate and has arranged the license. You will be my wife. Now finish your food.

And stop this foolishness right now.” Said Dean abruptly.

“I have had it with you; everything has to be done your way. I am like a new car you have to have no matter what the dam cost. I am leaving now,” Replies Linda firmly. She stands up, pushes the chair back under the table, and walks out of Coffeeberry. Knowing full well he can’t follow as he needs to pay the bill.

“Sir, you have not paid as yet; for that reason, you may not leave until you have paid your bill.” remarked the manager.” Firmly.

“you see the door ahead. I am walking out, and what are you going to do to stop me?” Said Dean

He pushes his way past the staff and runs in the direction Linda was heading five minutes ago. By this time, security has been made aware of his reluctance to pay his bill and is now on the lookout for him.

Finally, he is found and taken back to the restaurant and made to pay up; with no apology, he walks out on the search for Linda Winters.

An hour later, still no sign of Linda; tired of looking, he decides to give up. He takes a slow walk back to an empty car.

In the meanwhile, Linda was being cared for by Security.

While Dean is sitting in the car, hoping to find the love of his life, looking at the time on his watch, it's getting late; he sees a police patrol car pull up and park in the loading zone.

He now knows that she has reported the kidnapping to Security.

Two officers are seen entering Cascades Lifestyle Centre. Sergeant Frank Lowe and Lieutenant Danny Kruger. And are greeted by security.

On reaching the office, they are greeted by Linda Winters; she describes how she was abducted from her car, placed in Dean's car, and forced to come to Pietermaritzburg.

We will make sure you are safe and place you in the Stay Easy near Midlands Mall.

Dean leaves the parking lot at Cascades Life Style and goes to Sheraton to settle himself in for the night, only to find that the flat has been rented out to someone else.
